Turns out Roy has to sign this, so it will just be a few extra days before the work orders are issued. Sorry, I wasn't familiar with the way the rule is on this. Basically if its more than 4 parking spots a senior engineer has to authorize it.

Dear Chris:

That's terrific news. My operations manager, Jim Omahen, dropped the original package off to your office early this afternoon. Let me know when the determination letter is issued. Thanks again for your hard work.
